3	Marriott	Sue	Mother's Day Butterfly	SFG	7	8	7	22	Judges liked the composition and selective DoF. The grain is pleasing. Wings clipped at edge is a negative
4	Cunningham	Ann	Morning Dew	SFG	8	7	7	22	Judges like the impact, good selective DoF although some petals are soft., excellent exposure. Good lighting. Image would work in a sq format centered.
5	Ramirez	Fern	Instructions for the Band Competition	SFG	8	7	7	22	Good human interest, good depth of image, focus is good, and exp is also good. It would be improved if the person the instructor is apparently looking at is in the picture.

9	London	Mitchell	Reflecting Pool	SFG	7	7	6	20	Good comp, highlight at bott is blown out. Sky should be cropped out (distracting, like picture. Good dof. Nice reflection in pond.

12	Stoddard	Michael	Colorado Columbine	SFG	7	7	8	22	Very sharp foreground flower. Tips of flowers would be nice not to be cut off but image would be smaller. Composition is good. Distracting backgown in upper left corner. Cropped very well.
13	Guerin	Jane	Terlingua Light Pinting	SFG	9	9	8	26	One of the judges (was at the workshop) really liked image , blue of the sky is very good Judges disagreed (surprise!) on the log adding a leading line or was distracting.

15	London	Mitchell	Abandoned Post Office	SFG	5	6	8	19	Judges like the image, but sky is featureless and blown out. Presentation would help without white border since sky merges into it. Needs more contrast. Spot on lower right is distracting.

18	Guerin	Jane	Lone Star Holiday	SFA	7	5	7	19	Difficult shot with all the competing lights. Building is fairly sharp. Rotunda of Capitol building is slightly blown.
19	Beckett	Jim	Flurries of Light	SFA	6	6	7	19	Interesting picture . Building in back is nicely focused. Some highlights blown. All the decorative lights are distracting. A very busy image. Maybe just concentrate on door area and maybe a vertical format centered on door.
20	Huey	Mary Paige	Memorial Day Rememberance	SFA	7	7	6	20	Best meets assignment. Good exposure Bright colors. Engraving on stone is clear. Vhinetting distracts on upper right. Good colors.
21	Beckett	Jim	Lamp Light	SFA	6	8	8	22	Amazingly sharp. Lamp should be centered and maybe more toward bottom Should not be cropped too close to edge. Light pole should be vertical.
22	Brezik	Lee	Foggy Vortex	LFG	5	7	6	18	Good presentation with color border. Subject is vague, either the vortex or grass was seen as the subject. One judge likes silky water. White paper border should be symmetrical or trimmed.
23	Beckett	Jim	Fiery Tips, Cool Shade	LFG	7	5	8	20	Good exposure. Focus is a little soft. Judge didn't like matting. Judges thought a good image would be less of the tips and more of the interior leaves.
24	Ramirez	Fern	Celebrating Memorial Day	LFG	7	8	6	21	Heavy on the cute factor. One judge thought the kid in back should be out of the picture. Flag could be sharper.Driveway is distracting. Focus on foreground kid is great.

30	Montgomery	Dean	Female Anhinga	LFG	8	8	9	25	Sharp image. Not bothered by slight blown sky. Super image of bird. Busy background, great lighting (time of day) slight blurring.
