

## Llano, TX Scavenger Hunt

Article by Kathy McCall & Lois Schubert

Thanks to all the participants of the Llano Scavenger Hunt. What a GORGEOUS day we had! I think everyone had a good time and the jail tour was an added bonus. I expect to see some very arty shots from there. I believe we ended up with 13 members and 3 spouses. We had a great lunch at Cooper's BBQ with everyone sitting at one long table.

To the attendees: Please bring a disc with your top image for each category you completed to the November meeting on the 18th to give to Kathy McCall. Format will be the same as for competition: sRGB, 72 dpi, 768 pixels for the longest side. Name them LS01-firstinitiallastname.jpg. Be sure the number corresponds to the category of your photo. So, for example, Category 1. The County Courthouse would be: LS01-kmccall.jpg. If you missed a category just leave that number out. Each category will be judged on its own. After

receiving all the images, we'll get three people who weren't at the Scavenger Hunt to cull the entries down to the top three in each category then perhaps at January's meeting we'll let the members have the last say on the top photo in each category.

If you can't attend the November meeting you can bring the disc to the ASC Christmas party or mail it to Kathy McCall, 22306 Hazy Hollow Dr. #6, Spicewood, TX 78669. I can also accept images by email at [kwmccall@gmail.com](mailto:kwmccall@gmail.com). If you email them I would suggest sending them in batches of 5.

Thanks again for making this a successful Scavenger Hunt!

# Competition Assignments

Assignments are determined by the Competition Committee a year in advance so that members have at least a year to complete them.

## ***November 2010 - Live Music***

Austin is the Live Music Capital of the World. You've all heard that. Now is your chance to use your photo journalistic talents to do your part to prove it. Your image (or images) should capture a live performance by someone famous, kinda famous, or someone nobody knows (yet). It doesn't matter. They just need to be in the act of performing at a live venue. Do they absolutely have to be doing this in Austin? No, but it couldn't hurt.

## ***January 2011 - Trailer Food***

Austin has become a Mecca for trailer food vendors. Most everyone knows about the trailers in the parking lot on South Congress. But if you think that's all there is, look a little harder. They're everywhere! Your assignment, should you choose to accept it, is to document in photographs one or more of these establishments and/or the product that they are selling. You might want to try the food, while you're at it. This could be a very fulfilling assignment. Knock yourself out!

## ***March 2011 - Texas Spring***

Spring in Texas (when we have rain) can be incredible, as we all know. This assignment is intended to get you out and about to capture spring at its best. Naturally, one's thoughts are drawn to images of wildflowers as far as the eye can see, and that is certainly one scenario, but maybe you can do better. Or not. Just remember, you aren't limited to only wildflowers.

## ***May 2011 - Architectural Detail in Black & White***

All architecture has detail, even the most modern. Your assignment is to take a photograph of an architectural detail (on a building, but you knew that), and render it in black & white. It doesn't have to be a fancy detail, but it can't hurt. Just make sure the detail is, well, detailed. Have fun.

## ***July 2011 - Falling Water***

Waterfalls are one of the favorite subjects of most landscape photographers. Your assignment this month is to capture an image of a waterfall that captures the essence of the movement of the water. Whether you favor the slow shutter speeds that result in water that renders the silky (or cotton-candy) appearance, or the stop-action that results from high shutter speeds, get out in nature and give us your best shot! One more thing; should you be tempted to shoot Frank Lloyd Wright's masterpiece, the Kaufmann House, go right ahead. The waterfall below the house is fair game. Hint.

## ***September 2011 - Rise and Shine!***

The big problem with sunrises is that they occur so early. But getting up and out there bright and early can be well worthwhile, because sunrises are the fodder of gorgeous photographs—and you won't find your ideal locations swamped with people. So, set the alarm for a really early time and get there before first light.

## ***November 2011 - Shoot It Before It Disappears***

We've all seen things, places, or buildings that looked interesting, and we wanted to photograph them, but for one reason or another, we didn't take the time. The next time you passed that way, maybe it was still there, and you had the time, and you photographed it. Unfortunately, all too often it's gone the next time you pass through. Your assignment for November is to take the time to photograph the things that are on the verge of disappearing due to encroaching development, or natural disaster, or just plain deterioration. This is your chance to immortalize something.

# October 2010 Minutes

President, Lucy Durfee, called the meeting to order at 7 p.m. All visitors were introduced and welcomed.

Kathy McCall, Events Coordinator, announced that yesterday, 10/24, at the Hill Country Galleria, there was a vintage car show and a Halloween Dog Show. Tom Delaney had a vintage car in the show. There were a lot of photo ops there. Several members attended.

Kathy reminded the group that next Sat., Oct. 30, is the Fall Scavenger Hunt. Details will be emailed Friday including the scavenger hunt list. The locale will be approximately 50 miles west of Austin. The group will meet around 9 a.m. at the destination.

On Nov. 6th, on Auditorium Shores, there will be a Trailer Food Festival beginning at 11 a.m. Kathy reminded the group that January's assignment is "Trailer Food." November's assignment is "Live Music." This might be an opportunity to fulfill both assignments in one outing.

Kathy set up an online gallery to view member's images taken at the Smithville Photo Fest. Please send images to Kathy as soon as possible, using the same submission criteria as for competition.

This evening's refreshments are provided by Charlene Matthews, Jane Guerin and Allen Keith. Member, Dan Slutsky helped provide refreshments last month. Thanks everyone!

Lucy announced that the Christmas Banquet and Year End Awards will be held at the Tres Amigos Restaurant on 360. The date is set for December 16th. There will be a fajita buffet at the cost of \$20.00 per person . This includes non-alcoholic drinks and the club will buy the dessert. Treasurer, Marlene Lebel, will collect money beginning next month. The Competition Committee will announce the winning photos at the banquet: Assignments 1st, 2nd, & 3rd Place, General 1st, 2nd, & 3rd Place, Image of the Year, and Photographer of the Year.

Pete Holland, VP and Programs, introduced tonight's speakers Doug Box and Randy Kerr. Doug and Randy are masters of lighting and portraiture.

Meeting adjourned at 8:40 p.m.

# Rolling Sculpture Car Show

Article by Lois Schubert

The field trip to the Rolling Sculpture Car Show on October 24th at the Galleria Mall attracted a small group of ASC members ready to photograph a dazzling array of classic model cars polished to perfection. The weather was beautiful with fluffy clouds that appeared as reflections on the hoods of the cars. Several of the cars had items that were used during the time that the car was made. Our own ASC member, Tom Delaney, was also there showing his classic, a 1969 Karmann Ghia cabriolet, drive train by Volkswagen.

Following the car show, there was the “Dogadillo Howloween” contest. Big dogs and little dogs vied to win the best costume. Several small dogs dressed as chickens tried to avoid 2 huge spotted great danes dressed up as cows, sporting signs that said “Eat more chickin”. There were dogs dressed up as kings or queens, fairy princesses, and bees. Two cats were even entered into the show. Believe me, they did not like it. The owners of the dogs were just as likely to be in a colorful costume as the dogs which made for a fun day for photographers.
